Hello! My name is Eliza and I'm a GA for the Peer Tutoring Center. I'm in my 2nd year of the DPT program. In my free time I enjoy skiing, baking, and hanging out with my dog Millie. Once I graduate I'm interested in working with people with neurologic conditions.

Belier Javier

Hey hey! My name is Belier, but I usually go by Belly, your friendly neighborhood peer tutor. I'm currently a senior double majoring in Computer Science and Cybersecurity with a concentration in both Computer Security and Cyber Operations. On the contrast from tech, I love any activity that involves being physically active such as basketball, working out, extreme hiking, boxing, and paintballing. Helping out others is definitely something I enjoy doing because as college students, we have all been through some challenging and stressful times, so it's always nice to hold out a helping hand in hopes of making someone's day better. :)

For all the techies, here's a list of the courses I'm currently tutoring:

CYB 101, CYB 107, CYB 205, CYB 333, CYB 362, CYB 338, CYB 339

**CSC 101, CSC 102, CSC 116, CSC 303, CSC 316, CSC 323, CSC 325,
CSC 432**

Leah Griffin

Hello, My name is **Leah Griffin** my major is Biology and I want to do something that has to do with the medical field. I enjoy the connections made while tutoring someone. Being able to aid them in what they need help with and seeing the tutee afterwards in the hallway and them expressing how much you have helped them. I enjoy tutoring in my field because it can be challenging, especially for first years, so if I can take a little pressure off them I know I am being helpful. Also watching someone get a concept they have been struggling in for a while is rewarding for both the tutor and tutee. I am involved in the black student union, the honors program and the PASS program. I am also a student ambassador. In my free time I like to hang out with my friends and listen to music. The classes that I tutor are Bio 212, Bio 231m Chem 211, Chem 212.
